

Oil Syndicate Information

1. The syndicate is in conjunction with Southern Counties at their Long Stratton Offices. They call us the "Attleborough Syndicate" at the moment. Our contact is Sue on 01508 536555.
2. We get reduced cost oil on their normal volume basis. So the more we can order up to 18,000 litres, the lower the price will be.
3. Each member of the syndicate is regarded as an individual customer by Southern Counties and each must make their own arrangements for payment. In the first instance, this will be by credit or debit card. Please ring Sue to arrange this. You may be offered an account at a later stage. If you need oil at a time when you are the only syndicate member wishing to order, you can still get your oil at their normal price for the day.
4. Southern Counties would prefer to deal with one person placing the order. The routine will therefore be that if you need oil then you contact me (details below) stating how much oil you need. I will then contact all the other members of the syndicate for their requirements. If you need oil, you can place an order with me. The minimum order is 500 litres. If you do not need oil you can pass on that order. I will place the order with Southern Counties and give you the delivery date.
5. If the order comes to more than 18,000 litres (a lorry load), I will have to reduce the amount that some or all members will get. I will consult before doing this.
