A donated wreath will be laid. Champagne reception at the Village Hall between 12 and 4pm. Also to celebrate 70<sup>th</sup> anniversary of the

Village Hall. This is a free event with buffet, food and drinks. Outside, there will be activities for the children, a bouncy castle, Youth Club organising games, egg and spoon races, sack races etc. The school will be performing, the flower club will be there. There will be 40s music and dancing. Gazebos outside for inclement weather. In the evening at the Village Hall, Fezziwig, a ceilidh band will be playing. Tickets on sale for this event. On Saturday: A street party with the road closed from 12am, between the shop and the pub. Access to pub not restricted. The Clerk had been asked to organise the road closure. Many posters around the village advertising the event.

Finances. A grant of £500 had been received from Breckland for D Day celebrations. James Algar said this left a shortfall of £531 which the organising committee were asking the Parish Council to fund. The Parish Councillors had not seen the budget prior to this meeting. James gave a copy of the budget to the Clerk, which is shown below.

James thought the Parish Council didn't pay for hiring the Village Hall for meetings. The Clerk confirmed the PC had always paid for hall hire on receipt of invoices from Shena. The Parish Council was holding £635.45 in a 'Community Fund', most of which had been donated by Anglian Water as a goodwill gesture for the community, when the new sewers were installed. It was agreed the Parish Council would write a cheque to the Rocklands Village Hall for the full amount held in the Community Fund with the understanding that any money remaining after the event, would be returned to the Parish Council. Post meeting note: The Parish Council also paid £45 for the road closure.

#### 10. To discuss Breckland Council's Boundary Review (DH/RH)

May 7 saw the start of a ten-week public consultation inviting proposals for new Breckland Council wards and ward boundaries. Cllrs. Howie and Leslie both agreed this review doesn't really affect Rocklands.

#### 11. To update on SID (flashing speed sign) (RH)

Cllr. Harrison read out his report that had been circulated to councillors prior to the meeting. See graphs at the end of these minutes.

In the last period, the speed sign was deployed as follows:

##### a) Attleborough Road (B1077) - Traffic Approaching from Great Ellingham

Deployed: 10:00 hrs 29 February 2024

Finished: 23:59 hrs 7 April 2024\* (battery ran out)

The analysis results show:

54,262 vehicles detected

Average 1,406 vehicles/day

Morning peak time - 08:15 to 09:15

Signed .....

Date .....

Afternoon peak time - 15:30 to 16:30  
42,416 vehicles (78.2%) within 40 mph speed limit  
11,846 vehicles (21.8%) exceeding speed limit  
- of which 3,884 vehicles (7.2%) over 45 mph - and likely open to a fine\*  
Top speed: 75 mph - 17/03/2024

Since the last deployment facing towards Great Ellingham:

- vehicle movements averaged 1,406 per day - a 7.5% decrease in daily traffic volumes.
- vehicles speeding numbered 11,846 (21.8%) - a 1.4% increase in the proportion of vehicles speeding.
- vehicles open to enforcement action numbered 3,884 (7.2%) - 1.0% more vehicles open to enforcement.

A disappointing result - a significant reduction in traffic movements, accompanied by increases in the proportion of vehicles speeding and those open to enforcement action.

Note: the number of days deployed at this location was greater than usual.

**b) Attleborough Road (B1077) - Traffic Approaching from Caston**

Deployed: 10:00 hrs 11 April 2024

Finished: 11:00 hrs 1 May 2024

The analysis results show:

21,053 vehicles detected

Average 1,051 vehicles/day

Morning peak time - 07:30 to 08:30

Afternoon peak time - 16:00 to 17:00

19,488 vehicles (92.6%) within 40 mph speed limit

1,565 vehicles (7.4%) exceeding speed limit

- of which 244 vehicles (1.2%) over 45 mph - and likely open to a fine\*

Top speed: 60 mph - 15/04/2024 (with a further 1 vehicle at this speed during

the period)

Since the last deployment facing towards Caston:

- vehicle movements averaged 1,051 per day - a 9.4% decrease in daily traffic volumes
- vehicles speeding numbered 1,565 (7.4%) - a 2.0% increase in the proportion of vehicles speeding.
- vehicles open to enforcement action numbered 244 (1.2%) - 0.3% more vehicles open to enforcement.

Again, another disappointing result - an even greater reduction in traffic movements, accompanied by increases in the proportion of vehicles speeding and those open to enforcement action.

Cllr Tim Ford and I moved the speed sign to The Street on 1 May - where it is monitoring traffic entering the village from the B1077 crossroads.

As always, I am indebted to Tim for his continued support.

Speeding at the school and along the roads at school times was mentioned. Not so bad in the mornings but worse in the afternoons when all the children come out at the same time.

Note: PC Damion Wicks has left Attleborough and moved to Dereham. Rocklands contact in Attleborough is now PC Dion Phillips.

**12. To update on Flooding and Rocklands Flooding Working Group (RH)**

Cllr. Harrison read out his report that had been circulated to councillors prior to the meeting.

The first meeting of the 'Rocklands Flood Group' took place on Tuesday 5 March. 14 persons attended. I opened the meeting by delivering an updated version of the presentation which I gave at our last multi-agency meeting. Three of our local farmers were among the group, and they gave very useful insight into water management matters around the Parish. They also proposed some useful mitigation measures that they could carry out. Since the meeting, I have written to the NCC Flood & Water Manager - reminding him that the visit offered by an Environment Agency specialist, following the NCC team visit, is still outstanding and desperately needed.

**13. To report on financial matters**

**13.1 Approval of accounts 2023/2024 (AGAR Form 2, PKF Littlejohn, External auditors.)**

The end of the financial year was 31 March. The Clerk had prepared the end of year accounts and completed the annual return (AGAR) for the external auditor (PKF Littlejohn). The AGAR (Form 2) had been circulated to the councillors prior to the meeting for reference.

**13.1.1 Certificate of Exemption from limited assurance review (p3) (<£25,000 gross income)**

The Clerk explained that because both gross income and expenditure were less than £25,000, Rocklands Parish Council was eligible to apply for an exemption certificate for the year 2023/2024 meaning a limited assurance review would not be carried out by the external auditors. There would therefore be no fee charged this year which is good news. The Certificate of Exemption was approved by the councillors and signed by the chair Cllr. Howie and the Clerk. The Clerk would send the completed/signed form (p3) to PKF Littlejohn the external auditors.

**13.1.2 Annual Internal auditor's report (p4)**

Michaela Canham had carried out the internal audit of the accounts for Rocklands again this year and confirmed all accounts are in order (p4). Michaela's invoice received for £35.

**13.1.3 To approve Annual Governance Statement 2023/2024 AGAR Form 2. (p5)**

The Chair read out the 9 governance statements. All councillors agreed with the statements and the Chair ticked the YES boxes for statements 1-8. Statement 9 was ticked as N/A. The Form (p5) was signed by the chair Cllr. Howie and the Clerk.

**13.1.4 To approve Accounting Statements 2023/2024 AGAR Form 2. (p6)**

Any variances were explained. The councillors all agreed with the accounting statements (p6). The Form (p6) was signed by the chair Cllr. Howie.

**3PL/2023/1016/F TWENTY55 HOMES LTD (DEVLIN)** Rookery Farm Watton Road NR17 1LB, Demolition of poultry shed and erection of **five detached dwellings**. Construction of new access road to Watton Road. (291,296,303) **REVISED**

This application was discussed and it was agreed this was still too close to Anchor corner, there were still concerns, Highways were still objecting, therefore it was agreed that the comments and numerous objections raised by Rocklands Parish Council at previous meetings and already submitted to the Breckland Planning website would still stand. The Clerk would post a comment to this effect via the Breckland Planning Portal. **OBJECTION.**

**3PL/2024/0403/HOU McClURE** Cottage Farm, The Barn Bell Road, Erection of rear single storey extension, insertion of rooflight to rear roof slope and alteration of existing side window to door opening (304)

Original application was refused. The applicant has taken note of the reasons for refusal. This new application is to extend the house at the rear. All councillors agreed they had **NO OBJECTION.**

**14.4 Appeals**

**APP/F2605/W/24/3336843 TUBBY** Land North of Bell Road, Proposed 1no. equestrian dwelling with cart lodge, stables and paddocks. Application REF: 3PL/2023/0702/F (302)

This was discussed and it was agreed, nothing has changed so the Parish Council's objections to the original application stand firmly as before. No other representations required. The Clerk would post a comment to this effect on the Appeals Portal

**15.0 To update on Breckland Council's Local Plan (LP) - (RH)**

Cllr. Harrison read out his report that had been circulated to councillors prior to the meeting. It had been encouraging that ~120 people had turned up to the Parish Council meeting held to discuss this.

As we still haven't been contacted by Breckland Council's consultants - who have been appointed to review the Strategic Flood Risk Assessment for the emerging new Local Plan - I have again contacted the Planning Policy Manager for expected timescales.

Under 'Local Plan Review / Local Plan Full Update' on the Breckland Planning Policy web pages, under 'Consultation description' is the statement "*All comments will be made available to view on the Councils website*". As discussed at our last PC meeting, and with our District Councillor Sarah Suggitt at the time, this is still not the case. Instead, under 'What you've told us', is a "*...a summary of the views shared so far during consultation..*". It is still not possible to see "*All comments..*". There is also the aspiration "*The Council would like to continue a transparent and open discussion*". Unfortunately, the inability to see the comments of others means that this aspiration is not met.

We await the next stage in the new Local Plan consultation process - the "Preferred Options" consultation. As I write, a decision by Breckland Cabinet has just been published that resolves "*..that the Draft Plan included at Appendix 1 of the report be agreed and published for consultation for a period of at least 6 weeks.*"

The next phase of consultation would appear to be soon, therefore.

Cllr. Leslie said perhaps need an informal chat in a few weeks' time after documents digested.

**16.0 To update on the Rocklands Neighbourhood Plan (RNP) - (PL)**

New RNP group set up has 7 members. A first meeting has been held. Have been through some of the old paperwork. Need valid, up to date information to proceed with so will need to redo the Questionnaire. Template for questionnaire almost complete. Next meeting will be late May/early June. Don't want it to be prolonged - so just before the holiday season or just after. Would like to have a summary of responses to the survey by the end of the year. Write up RNP by next year.

Cllr, Harrison said need to consider current planning law and changes and developments.

The offer of NP training with NPTS still stands if/when required.

17.0 To discuss any correspondence. No correspondence.

18.0 AOB - To receive items for the next agenda.

**Trees.** Cllr. Buckland reported that UK Power Networks had trimmed some trees and left the cuttings in the verge. Also need to contact Mrs Firman to ask her to check her trees and overhanging branches to make safe. Cllr. Howie offered to call Mrs Firman. Noted that Bill Lister cuts to the right.

**Tree in Green Lane** needs cutting. UK Power Networks have not yet attended.

**Grass at Wayland Road.** Cllr. Buckland will contact Marcus who has cut the grass previously.

**Glass bottles/fire hazard.** Cllr. Buckland will speak to Martha who lives in the house.

**Dog Poo bin location.** At St. Andrews where there are the remains of the church, there is a footpath with an opening opposite where the council could park to empty it. Mr. Howlett had previously been happy with this location a while back Cllr. Ford would check.

**Green Lane.** The subject of the surface is Green Lane is ongoing. The residents do not want any surface materials put down due to the dust it causes. Cllr. Howie confirmed that anything done had been done with good intentions. Really not sure what the answer is. Will be an agenda item at the July meeting.
