

Rocklands Parish Council (RPC)
Minutes of Parish Council Meeting
7.00pm on Monday 4 July 2022

Present:	David Howie	Chair
	Richard Harrison	Vice Chair
	Amanda-Jayne Buckland	
	Tim Ford	
	Bryan Swaddling	
	Paula Bidmead	
	Kim Austin	Clerk

Also present: 4 members of the public were also present.
The meeting opened at 19:03

1. To consider accepting apologies for absence

Apologies were received from Anne Jones who was unwell. Apology was accepted.

2. To record declarations of interest from members in any items on the agenda

There were no declarations of interest.

3. To approve the minutes of the last Parish Council Meeting on Monday 9 May 2022

The minutes had been circulated to all councillors prior to the meeting. All councillors approved the minutes. The minutes were duly signed by the Chair, Cllr. David Howie.

4. To discuss any matters arising from the minutes (9 May 2022) not on the agenda.

There were no matters arising from the minutes.

5. To adjourn the meeting for public participation

The meeting was adjourned at 19:07.

There was mention of gravel on the pavement near the school, causing a slip hazard. Probably just needs a responsible person to sweep it away. Cllr. Howie would investigate. Also concerns about cars parking here.

The meeting resumed at 19:09.

6. To Co-opt a new Parish Councillor

The vacancy had been advertised following a resignation. Anne Jones had volunteered to become a Parish Councillor and her application form had been circulated to all councillors prior to the meeting. Although Anne was not present at the meeting, there was a unanimous vote from the councillors for Anne to be co-opted to Rocklands Parish Council. The Clerk would meet with Anne for her to sign the Declaration of Acceptance of Office form. A Declaration of Pecuniary Interest (DPI) would also be completed after the meeting and returned to Breckland within 28 days.

7. To update on AED, Defibrillator (Tim Ford)

Tim was responsible for checking the AED at the village hall and gave an update.

I continue to carry out monthly checks and update the 'Circuit' which is the National Defibrillator Network. (Cllr. Buckland does the same for the AED at the Sports Pavilion). The Circuit passes on this information to The East of England Ambulance Service who in turn update their AED ready database. At the last check, I replaced the set of pads attached to our AED, with the spare set as the original ones were reaching their expiry date. We now need to decide if we require a spare set and if they should be for adults as previously, or paediatric (For children aged 1-8 years and weighing under 55lbs in weight. Adult pads can be used on children but they would need to be applied differently to the information on the packaging that the adult pads are supplied in. This needs to be made clear to users. Sample prices are: Adult pads £66 and paediatric pads £102.

Signed

Date

Consumables, batteries and pads were discussed. The batteries have a shelf life of 2 years. Need to budget for replacements. Cllr. Buckland said the Football Association had paid for pads etc. for the AED at the Playing Fields, as well as leaflets. Cllr. Buckland would speak to her friend Karl re supplies.

8. Grass cutting in the village (DH)

Cllr. Howie had planned to find someone to cut all the bits of grass that need cutting around the village on a regular basis to keep it tidy. However, now found that some areas of grass were actually on Breckland's contractor schedule to be cut (Previously told they wouldn't be). Village Hall had used Tom Bird for grass, hedge and play area. Tom Bird also doing All Saints Church and John Brown now had a contract in place for keeping the graveyard tidy at St. Peter's church. Easier to let organisations arrange cutting themselves.

9. To receive village reports

9.1 Village Shop and Post Office (No report)

9.2 Village Hall (Sarah Good)

The Clerk read out Sarah's report. We have our next meeting on Thursday 14 July at 7pm. We are about to order outdoor CCTV cameras. Hirings are regular. We've securing a new contract with Biffa much cheaper than before. We've passed this information onto the Playing Field and Shop Committees in the hope that they will benefit by reduced costs. We're also about to employ a new groundsman, Tom Bird, whose details we've passed onto the school, church and Parish Council.

Dave Jones added thanks to Cllr. Tim Ford and Cllr. Richard Harrison for their input and advice on CCTV cameras and apologised for not keeping them informed. It was thought the shop already used Biffa for their waste collection.

Boundary between Village Hall and neighbour is in dispute. The Parish Council will be seeking advice and will involve a solicitor if needed. Cllr. Howie has planned to visit Joan Barnard to have a look at some old maps she has.

9.3 Little Rocky's Parent and Toddler Group (Sharon Brown).

No report from Sharon but Dave Jones said the group is doing remarkably well.

9.4 Rocklands Primary School (Dave Jones)

The Clerk read out a report provided by Dave Jones. The previous Deputy Head across the Federation of Great Ellingham and Rocklands Schools has gained a headship elsewhere. This has provided an opportunity to reconfigure the leadership structure which offers still greater strength and stability into the future, without detracting from the all-important classroom teaching capacity. Rocklands School has two Ukrainian refugee children who are settling in well. The school is expected to be full in September, apart perhaps from the reception class.

9.5 Rocklands Playing Fields (Sarah Good)

The Clerk read out Sarah's report. Our next meeting should be later in July. Smart new windows have been installed at the pavilion. We now have WiFi access. Bar takings are steady, when we have volunteers to open the bar after football and cricket games. We've had a few repairs to do at the playground and maintenance of the ground remains a time-consuming top priority.

Cllr. Buckland reported that the defibrillator donated by the Football Association and recently installed at the Pavilion had been used with a positive outcome. Dog fouling is still a problem at the Playing Fields and although dog poo bins are provided, people are leaving poo bags in normal waste bins. Cllr. Buckland had erected a new fence, using met posts, for the advertising boards. Cllr. Howie mentioned the recent scandal of the Football Cub ex-secretary who over time had stolen thousands of pounds from the Football Club accounts. This had recently come to court and coverage was in the EDP. The ex-secretary had been ordered to pay the money back and the first instalment had been received. It was agreed there must be better control of the accounts in the future and this applies to all club/charity accounts.

9.6 Rockland St. Peter Church (John Brown)

No report.

Signed

Date

9.7 Rockland All Saints' Church (Cath Jones)

The Clerk delivered Cath Jones report. Keeping the churchyard looking clean and tidy has always been a priority for us at All Saints, but with an ageing and dwindling congregation, it is becoming increasingly more difficult to keep up the standards set by our predecessors! We are SO grateful for the work that David and Maddie Baldwin have put in over many, many years strimming the nettles down and cutting the hedges. Sadly, health issues now currently prevent them from doing as much as they have done.....a HUGE thank you to them both and we wish them better health to come.

Although we get a small grant from the Parish Council, this doesn't go anywhere near covering the cost of fuel and maintenance of the mowers, so we are now having to look for other ways of maintaining the beautiful and peaceful churchyard that is enjoyed by so many, and not just churchgoers. It is no longer sustainable to rely on purely volunteer labour. On a more positive note, we look forward to the annual Flower Festival that will be held on the weekend of 16-18 July. The flowers in church are open on Monday too, but without full tearoom service - drinks and cakes only ! I am sure it will be as beautiful as ever. We have again ordered good weather ! There will be a bric-a-brac stall including lots of books and lunches on Saturday and Sunday from the tearoom as well as the usual delicious cakes, scones etc ! We look forward to seeing you there!

9.8 White Hart Public House (Dave Thomas)

The Clerk had received an update from Dave: June was a great month, our team worked tirelessly to create a wonderful Jubilee weekend for all; it was just a shame the weather didn't shine on the Sunday. With the assistance of all our patrons we have raised over a £1000 to support Matilda and the Scouts. Throughout the summer we intend to continue with a Sunday carvery every third weekend of the month. Whereas on the other Sundays, our Brunch appears to be a success. As we look towards the Autumn and perhaps further turbulent financial constraints, we will continue to widen our footprint of customers.

9.9 To update on Chapel Green Meadow (Carolyn Emblen)

The Clerk read out the report received. Chapel Green is at peak flowering now with at least 23 Common Spotted Orchids, the celebrated Ghost Moth lek in full swing, and lots of insects of all sorts from dragonflies to butterflies, and mayflies to moths. The paths are being regularly cut and mown to provide access to the green and pond. Please feel free to enjoy!

9.10 Youth Group (Dave Jones)

The club had re-opened now after closure during the pandemic. It is for 8-18 year-olds and is held weekly in Rocklands Village Hall between 6.30-8.30. There are currently 25-30 young people attending. Some young members have now become leaders. More are always needed especially during holidays. Looking for the older members to work towards Duke of Edinburgh (DofE) awards. It was later mentioned in this meeting that the phone box needed a refurb/repaint and it was wondered if this was something youth group could take on, regards DofE.

10.0 To report on financial matters

10.1 Financial position

Bank account balances on Monday 4 July 2022

Barclays Community Account	£	6450.64
Barclays Saver (Reserve) Account	£	336.86
TOTAL as per bank	£	6787.50

Summary

RPC Rocklands Parish Council	£	6586.90
RNP Rocklands Neighbourhood Plan (RG)	£	200.60
TOTAL as per bank	£	6787.50

10.2 Money in since last meeting (9 May 2022)

6/6/2022	Barclays Saver Account	£	0.03
----------	------------------------	---	------

Signed

Date

TOTAL IN £ 0.03

10.3 Money out since last meeting (9 May 2022)

10.3.1 Standing Orders/Direct Debits

23/5/2022	NPower (was Eon) Electricity (DD)	£	50.85
1/6/2022	Clerk's wages (SO)	£	286.22
21/6/2022	NPower (was Eon) Electricity (DD)	£	48.94
1/7/2022	Clerk's wages (SO)	£	286.22

TOTAL OUT £ 672.23

10.3.2 Cheques out (to sign)

CHQ 754	NOTE: Cheque destroyed. Filled out incorrectly	£	0.00
CHQ 755	Annual donation - Rocklands All Saints PCC	£	85.00 (ALREADY SIGNED)
CHQ 756	Annual donation - St. Peters PCC	£	85.00 (ALREADY SIGNED)

CHQ 763	Ridgeons - Paint for gateways - Reimb. Kirsty Router	£	28.79

TOTAL OUT £ 948.47

11.0 To consider planning applications

11.1 Planning outcomes since last meeting (Monday 9 May 2022)

11.2 Applications pending outcome

3PL/2021/0697/F DEVLIN DEV./Allison's Farm/3 house residential development (225/241)

3PL/2021/1547/F SOUTHGATE/Land south of Swangey Lane/8x poultry houses etc. (244)

3PL/2022/0246/F A JONES Coach House, Low Lane/Glamping pods x2 (245)

3PL/2022/0285/F DUNNING/Agricultural Buildings Rectory Road/Existing agricultural building to two new barn style dwellings/garages (subsequent to Class Q permission) (247)

3PL/2022/0245/LU M. JONES. Ford Farm, Swangey Lane. Standing for a mobile home for use as annex for family (Certificate of Lawfulness) (252) Breckland are reassessing the application.

11.3 New applications since last meeting (Monday 9 May 2022)

11.3.1 3PL/2022/0643/F ROCKLANDS MERE FISHERY/Chapel Street/Change of use of existing office, tearoom and shop to holiday let including minor external alterations, demolition of the store & WC and to rebuild a small section of the eastern elevation (253)

The councillors all agreed they had no objection to this application. Rocklands Parish Council would ask however that, if possible, there is a condition that states no subsequent permitted development.

11.3.2 3PL/2022/0396/F (Additional Information) WARNES/Change of use from agricultural storage building to dog grooming salon. Erection of horse walker and manege (251/254)

Despite the amendments and further information received, Rocklands Parish Council agreed to stand by its original objections and continue to support Breckland Council's previous decision of private use only.

11.3.3 3PL/2022/0696/HOU SEATON/Churchfields, Bell Road/Rear two storey extension and extended front porch and re-roof with accommodation in roof space (255)

The applicant is looking to enlarge the existing 3-bedroom property to a 5-bedroom property. Deadline for comments is 12 July and all councillors agreed the Parish Council should speak to the neighbours either side.

Post meeting note: After speaking to the neighbours the Parish Council had concerns and comments to Breckland as follows: No detailed site location plan and as such belies just how close the current and proposed building is to neighbouring properties, almost touching both boundary fences.

Signed

Date

11.3.4 3PL/2022/0676/VAR CJB DEVT/Site corner of Mill Lane and Green Lane/Variation of Condition No 2 on 3PL/2021/1405/VAR (256)

All councillors agreed this was a variation of a non-significant variation and that they had no objection.

3PL/2022/0470/F BECKER Stone Barn, Mount Pleasant. Proposed new holiday cottage (Amendments) (250/257)

The applicant has now confirmed that the proposed new property will be used for holiday let. The applicant has also drafted a noise control policy which appears impractical and unrealistic. Mount Pleasant residents have had problems with another holiday let before. Breckland Environmental Health also have concerns about noise.

Numerous objections have been posted by residents of Mount Pleasant, concerned about serious impacts on their quiet and peaceful amenity. Rocklands Parish Council needs to support the strong objections of the residents of this hamlet.

Breckland Housing allocation. Cllr. Harrison had asked Cllr. Suggitt to assist as he had still not had a suitable response from Simon Wood, Breckland, Director of Planning regards housing allocation numbers since March 2020. Various communications by email and at meetings had ensued, all evading the point in question. Simon Wood prompted by Cllr. Suggitt now replied to Cllr. Harrison on 11 May 2022 asking what the query was. Cllr. Harrison sent a very comprehensive email to Simon Wood on 12 May and nearly 8 weeks later still has no response. Rocklands has significantly exceeded the 5% criteria specified in HOU 04 and would like the situation clarified. Breckland doesn't want to answer. Cllr. Harrison will continue to seek a suitable response.

To update on SID (flashing speed sign) (RH)

Since our last meeting, further deployments of the SID have been completed as follows:

a) The Street - traffic approaching B1077 Crossroads

Deployed: 03 May 2022

Finished: 30 May 2022

The analysis results show:

10,581 vehicles detected

Average 391 vehicles/day

Morning peak time - 08:00 to 09:00

Afternoon peak time - 15:15 to 16:15

8,138 vehicles (76.9%) within 30 mph speed limit

2,443 vehicles (23.1%) exceeding speed limit

- of which 474 vehicles (4.5%) over 35 mph - and likely open to a fine*

Top speed: 50 mph - 14/05/2022 at 19:35

Since the last deployment facing towards the Village Hall:

- vehicle movements averaged 391 per day - a 10.0% increase in daily traffic volumes.
- vehicles speeding numbered 2,443 (23.1%) - an additional 0.5% of vehicles speeding.
- vehicles open to enforcement action numbered 474 (4.5%) - 0.3 % less vehicles open to enforcement.

b) Attleborough Road (B1077) - traffic from Great Ellingham

Deployed: 10:00 hrs 30 May 2022

Finished: 11:00 hrs 01 July 2022

The analysis results show:

43,985 vehicles detected

Average 1,373 vehicles/day

Morning peak time - 08:15 to 09:15

Afternoon peak time - 15:30 to 16:30

34,173 vehicles (77.7%) within 40 mph speed limit

9,812 vehicles (22.3%) exceeding speed limit

Signed

Date

- of which 3,234 vehicles (7.4%) over 45 mph - and likely open to a fine*
Top speed: 75 mph - 24/06/2022 at 19:35

Since the last deployment facing towards Great Ellingham:

- vehicle movements averaged 1,373 per day - a 13.1% decrease in daily traffic volumes.
- vehicles speeding numbered 9,812 (22.3%) - a 0.8% less vehicles speeding.
- vehicles open to enforcement action numbered 3,234 (7.4%) - 0.5% less vehicles open to enforcement.

Nearly a quarter of vehicles speeding on a village street remains totally unacceptable. During the monitoring period, 3 vehicles were logged at 50mph.

Note: although one vehicle was recorded at 75 mph on Attleborough Road, a further 12 vehicles were recorded at 70 mph during this period. As always, one or more may have been emergency services vehicles but, to reach 70 mph by this point - after rounding a double-apex blind bend - is still of concern.

The speed sign is currently on Attleborough Road - monitoring traffic approaching from Caston.

Once again, sincere thanks to Cllr. Tim Ford for his help in relocating the speed sign.

We now have two new batteries for the speed sign, and the first one easily powered the sign for a month on Attleborough Road - facing towards Gt Ellingham.

* The SID is limited to grouping vehicle speeds into 5mph blocks. However, for a 40mph speed limit, enforcement action is normally applied at 46mph and above - so a very small proportion of vehicles above 45mph could arguably be travelling at less than 46mph (e.g. 45.5mph). The SID also has a specified accuracy of ± 0.5 mph. Enforcement action is not always a fine - depending on circumstances, drivers may be offered a speed awareness course.

Rocklands has a serious problem with speeding vehicles and senior highways staff do not seem to want to do anything to help. Cllr. Buckland mentioned 'pressure plates' from Westcotec, that detect vehicles and flash up warnings. These would be installed by Westcotec. They are probably expensive, maybe too expensive for the Parish Council to fund, even with Parish Partnership 50:50 funding. Cllr. Buckland would make enquiries.

13. To update on Highways.

The Highway rangers are due to visit week commencing 11 July 2022.

Currently have a problem with owners not clearing up after their dogs. Maybe need more dog poo bins. Cllr. Howie reported the 40mph sign near St. Peter's Church had faded and needed replacing. The Clerk would log with Highways.

Footpath signs. Hingham has nice new footpath signs. Cllr. Bidmead volunteered to walk the footpaths with her dog. Cllr. Harrison would provide her with Rocklands footpath maps. Would report back on where footpath signs were needed. Also consider where dog poo bins might be beneficial.

14. To update on Flooding (RH)

On 23 June, we received a copy of a communication from Karen Paterson of the Environment Agency - sent to the NCC Water Management Team. Karen has commented on the extensive photographs and annotations compiled by Martin Matthews of NCC after our walkabout and meeting in February this year.

Karen has a number of ideas for improving the watercourses and flood abatement potential and has offered to discuss further and make a site visit. We will arrange this and invite key stakeholders/landowners to take part.

Unfortunately, on 7 June, we were notified that our bid to secure funding for flood mitigation works from the 'Reclaim the Rain' initiative had proved unsuccessful. There had been 37 applications from across Norfolk and Suffolk - of which just 3 in each county could be funded. Nevertheless, I hope that our ongoing work with the NCC Water Management Team and the Environment Agency will help to secure funding in the future.

15. To discuss any correspondence. There was no correspondence.

Signed

Date

16. AOB - To receive items for the next agenda.

Cllr. Harrison gave an important reminder about the First Time Sewerage Scheme. **IMPORTANT:** As stated at our last meeting, residents should remember that the project team will only provide a free 'lateral' (the pipe that connects from a chamber on the boundary of their property to the new sewer) if a resident has signed-up for a connection before the project starts. After that time, it may still be possible to have a lateral provided - but that would then be at significant extra cost to the resident and would involve re-excavation of a section of the new sewer.

Residents should remember that the **very latest date for sign-up is 19 August 2022** - as stated in the letter sent to eligible households in March 2022.

Residents wishing to connect need to consult with a contractor - for an inspection and quotation for the necessary pipework on their own property - and sign-up for a connection, in a timely manner.

Approved contractors can be found at www.watersafe.org.uk/water_support_services - as advised in the Anglian Water booklet sent to all residents.

The original idea to obtain collective quotes for groups of residents is now considered unworkable for liability reasons - however there is no reason why individual residents cannot share information about contractors they have approached.

To the best of my current knowledge, we are still on-track for a September 2022 start date - with an anticipated finish in approx. June/July/'Summer' next year (2023).

Telephone Box/library. The box is in dire need of rubbing down and repainting. It was suggested the Youth Club may incorporate into their activities. Cllr. Howie to discuss with Dave Jones.

Post meeting note: Thank you to Cyril Ruffles for starting to prepare the phone box for a new coat of paint. The Clerk ordered official primer and paint for the telephone box. This has been delivered and is with Cllr. Howie/Cyril Ruffles.

17. Date of next Meeting - Monday 5 September 2022, at 7pm.

The meeting closed at 21:14
