Road Closure – St Andrews Lane, Rocklands

St Andrews Lane will be closed from November 25 to November 29 from the junction with C158 Rocklands Road to the junction with 33037 Low Lane for carriageway repair works. Due to the narrow road, the entire carriageway will need to be closed and a signed diversion will be in place for the duration of the closure.

The diversion will be C158 Rocklands Road, C135 Mill Lane, 33034 The Street, 33035 Rectory Road, 33030 Stowlay Lane, 33038 St Andrews Lane, and vice versa.

Access to the Church should come via Rectory Road/Stowlay Lane.

The County Council thanks people for their patience while these carriageway repair works are carried out.

The work which will cost £10,600 will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.
